

## Are you paying more in tax than you have to?

The items listed here are only a few of the more than 200 categories which provide those who own their business legal tax savings.

Many of these represent categories in which you already spend money but get no deduction.

These everyday expenses are paid out-of-pocket with after-tax dollars. Having your own business and taking advantage of these legal tax saving allows you to increase your lifestyle using dollars that ordinarily would be paid in taxes.
